Bible Questions

Question

Can I ask Bible questions here?

Suggested Response

Absolutely. I can help answer many Bible-related questions and provide information based on Scripture and the ministry's teachings. I also encourage personal Bible study for a deeper understanding.

Question

What version of the Bible do you use?

Suggested Response

We may reference several trusted Bible translations. Regardless of translation, we encourage studying Scripture carefully and comparing passages within their broader Biblical context.

Question

How can I start studying the Bible?

Suggested Response

A good place to begin is with the Gospels—Matthew, Mark, Luke, and John—which focus on the life and teachings of Jesus Christ. We also offer Bible study resources to help guide your learning.

Salvation Questions

Question

How can I be saved?

Suggested Response

The Bible teaches that salvation is a gift from God through faith in Jesus Christ. Through His death and resurrection, Jesus provides forgiveness and reconciliation with God for those who trust in Him.

Question

Can good works save me?

Suggested Response

No. Salvation is received by God's grace through faith in Jesus Christ. Good works are the result of a transformed life, not the means of earning salvation.

Sabbath Questions

Question

Why do Seventh-day Adventists worship on Saturday?

Suggested Response

Seventh-day Adventists observe the seventh-day Sabbath because it was established at Creation and identified in Scripture as God's day of rest and worship.

Question

What is the Sabbath?

Suggested Response

The Sabbath is the seventh day of the week, observed from Friday sunset to Saturday sunset. It is a special time for worship, rest, fellowship, and focusing on God.

Prophecy Questions

Question

Do you teach Bible prophecy?

Suggested Response

Yes. Bible prophecy is an important part of our ministry. We focus especially on the books of Daniel and Revelation and how their messages point people to Jesus Christ.

Question

Do you predict the date of Christ's return?

Suggested Response

No. We do not predict dates. Jesus taught that no one knows the exact day or hour of His return. Our focus is on spiritual preparedness and faithful Christian living.

Question

What are the Three Angels' Messages?

Suggested Response

The Three Angels' Messages are found in Revelation 14:6–12. They call people to worship God, remain faithful to Jesus Christ, reject spiritual deception, and prepare for Christ's return.

Difficult Questions

Question

Why does God allow suffering?

Christians have wrestled with this question throughout history. The Bible teaches that suffering exists because of sin and humanity's separation from God. Scripture also teaches that God is compassionate, present in suffering, and will ultimately restore all things through Christ.

Question

Why are there so many Christian denominations?

Suggested Response

Christians share many core beliefs while differing on some interpretations and practices. Hope For Today Ministry seeks to focus on Biblical teachings and encourage respectful dialogue.

Question

I disagree with your beliefs.

Suggested Response

Thank you for sharing your perspective. We respect that people may hold different beliefs. Our goal is to provide information about our teachings while encouraging thoughtful and respectful discussion.

Current Events Questions

Question

Do current events fulfill Bible prophecy?

Suggested Response

Many Christians study current events alongside Biblical prophecy. While we avoid speculation and date-setting, we believe prophecy provides important spiritual insights and encourages readiness for Christ's return.

Question

What should Christians focus on during uncertain times?

Suggested Response

Christians are encouraged to deepen their relationship with God through prayer, Bible study, service to others, and trust in God's promises.
